Best Co Jest

## From The Desk of Larry Chesky

Dear Friend,

We are proud to present this Catalog of Polish Heritage Products. If you're looking for a gift for a Polish friend or relative or something extra special for yourself, you'll find it here. We have Large Plaques, Small Plaques, Religious Plaques, Jewelry, Novelty Buttons, Pins, Appliques, Tumblers, Stickers, Stick-Ons, Ties, Books, Records, Tapes — Everything.

Many of our products have been sold successfully at bazaars, fairs, picnics, parades, and other fund raising activities by Polish Churches, Clubs and Organizations. If your club or organization is interested in our product line, please let us know and we'll send quantity prices directly to your president, treasurer or committee chairman.

As you know, the Crowned Eagle displayed on many of our products is the symbol of a free Poland. In this country, however, it has taken on an additional meaning. It has become the symbol of unity and belonging of all Polish Americans. It has become the symbol of our heritage — a great and honorable heritage.

Through our products, we hope that we can help to continue the growth of pride in our Polish heritage and in the process bind tighter the unity of brotherhood between all people of Polish descent. Your interest is greatly appreciated.

Sincerely,

Larry Chesky
